

April 24, 2019

Dear Valued Exhibitor:

On the behalf of the Steering Committee of the 16th Multidisciplinary Conference on Sinkholes and the Engineering and Environmental Impacts of Karst (aka, "The Sinkhole Conference"), I am writing to invite you to become a conference exhibitor. The conference will be held April 20-24, 2020, at the Sheraton Old San Juan Hotel in San Juan, Puerto. We expect this Sinkhole Conference will host 150-200 civil, geotechnical and environmental engineers, geologists, biologists, geographers, planners, developers and government officials who will come from around the world to discuss the latest developments in and future of our industry. This conference is an excellent opportunity for your business to reach a qualified, targeted audience and expand your markets.

Attached is the registration form with the key details about registering. To learn more about the conference in general and register, and to reserve your lodging at the conference hotel, visit www.sinkholeconference.com. Please notice that on November 15th, the registration price increases so I encourage you to register early. Selection of booth locations is on a first-come, first-served basis, which is another good reason to register soon.

Please contact Courtney Gasow at cgasow@nckri.org or 575.628.2702 for a map of the booth locations and if you have any questions. We look forward to hearing from you in the near future.

Sincerely,

George Veni, PhD
Co-Chairman, 16th Sinkhole Conference
Executive Director, National Cave and Karst Research Institute
