Dear Valued Exhibitor:

On the behalf of the Steering Committee of the 16th Multidisciplinary Conference on Sinkholes and the Engineering and Environmental Impacts of Karst (aka, "The Sinkhole Conference"), I am writing to invite you to become a conference exhibitor. The conference has been delayed from its original date by the COVID-19 crisis to April 12-16, 2021, but it will still be held at the Sheraton Old San Juan Hotel in San Juan, Puerto. We expect this Sinkhole Conference will host about 150 civil, geotechnical and environmental engineers, geologists, biologists, geographers, planners, developers and government officials who will come from around the world to discuss the latest developments in and future of our industry. This conference is an excellent opportunity for your business to reach a qualified, targeted audience and expand your markets.

Attached is the registration form with the key details about registering. To learn more about the conference in general, to register online, and to reserve your lodging at the conference hotel, visit www.sinkholeconference.com. Selection of booth locations is on a first-come, first-served basis.

Please contact Tyrone Black at tyblack@charter.net or 989-390-8982 for a map of the booth locations and if you have any questions. We look forward to hearing from you in the near future.

Sincerely,

George Veni, PhD
Co-Chairman, 16th Sinkhole Conference
Executive Director, National Cave and Karst Research Institute
